DEDICATION

TO him who has made a lasting contribution to our college and her student body, through his faithful and inspiring work in the classroom, and his interest and activity in the social, religious, fraternal, and athletic phases of campus life; who by his sterling Christian manhood and his loyalty to the ideals of our Alma Mater has challenged us to be true Morris Harveyans, this book is most affectionately dedicated,

ASHBY C. BLACKWELL

BLACKWELL'S
BELIEFS

*"The noblest mind the best
contentment has."*

*"Life is not so short but that
there is always time for
courtesy."*

FOREWORD

IN this book which we now present for your approval, will be found a portrayal of life in Morris Harvey College during the past year. If, in later years, you shall find it a means of reviving your interest and living over those school days which are so full of dear memories, we, the staff of 1931, shall have achieved our aim.

Rosa Harvey Student Government

Student Government was organized in the women's dormitory for the first time this year. The organization has a Constitution, By-Law, and Rules like the other organizations on the campus and has proven quite successful.

The group has sponsored parties for the women students, for the school, and a special recreational program for the women who live in the hall. It is hoped that this organization may last and grow better by experience.

FRANK L. ARRITT
Coach

Oak Hill may call him Frank or Mr. Arritt, but to his myriad of friends at Morris Harvey he still remains "Scopey." This is his first year in big time coaching, but if one will notice the Marshall score it proves it will not be his last. "Scopey" is a born leader and his ability to inspire the boys to almost super-human efforts speaks well of his qualifications as a coach.

EVERETT M. WHITE
Assistant Coach

"Medicine Man" proved a valuable asset to the Golden Eagle athletic teams as assistant coach and manager. He held the love and respect of all the boys, who caught his inspiration and sought to live up to his ideals. He was unusually successful in his work with the "B" basketball squad. With his graduation, Morris Harvey loses an outstanding student but gains a loyal alumnus.

Cheer Leaders

ROBERT "DOC" FLEGER, Captain
Guard

"Doc" has played football for Morris Harvey for three years. We shall miss him next year, but we shall not forget him. "Doc's" shoes will be hard to fill, but we wish him success as he goes out into the world. Our loss will be a great gain for some school as "Doc" plans to coach.

LAWRENCE "SNAG" SNYDER
End

"Snag" fooled Marshall this year by being on the receiving end of one of their passes and carrying it to the ten-yard line before being forced out of bounds. He has been playing wonderful football all season and will play again next year. "Snag" was captain of that famous Oak Hill "Red Devil" team of 1929.

PAUL BACKUS
Back

Paul is a little mighty man. He was always the first man to be substituted into the backfield, and although exceptionally light always proved a tower of strength. He is a deadly tackler and likes to hit big men, believing that the bigger they are the harder they fall. There will be a vacant place in next year's backfield and Paul seems the logical occupant.

ERNEST "MAC" MCCOY
Guard

His worth cannot be measured. He held up the opposing lines, game after game, with the same unassuming attitude that he carries at all times. The rooters all yell for "Mac" because he cannot be passed. "Mac" still has two more years to fight for the old school.

STEVE ZELAZO

Quarterback

Steve does not tell the other side what is going on, but sure does call out the signals well. He piloted his team to victories by quick exact decisions. He proved his worth as a passer this year and we know that he will be just as successful in the game of life. Steve leaves us this year, and with him one of the best passers that ever fought for M. H. C.

CEBERT LEE

Fullback

Lee was a little bit the largest man on the team. He was used as offensive fullback and defensive tackle. His ability to bring down the opponents made the opposition realize his worth. He was given honorable mention on the all-conference team. Lee has two more years at Morris Harvey.

JIM DUFFIELD

Halfback

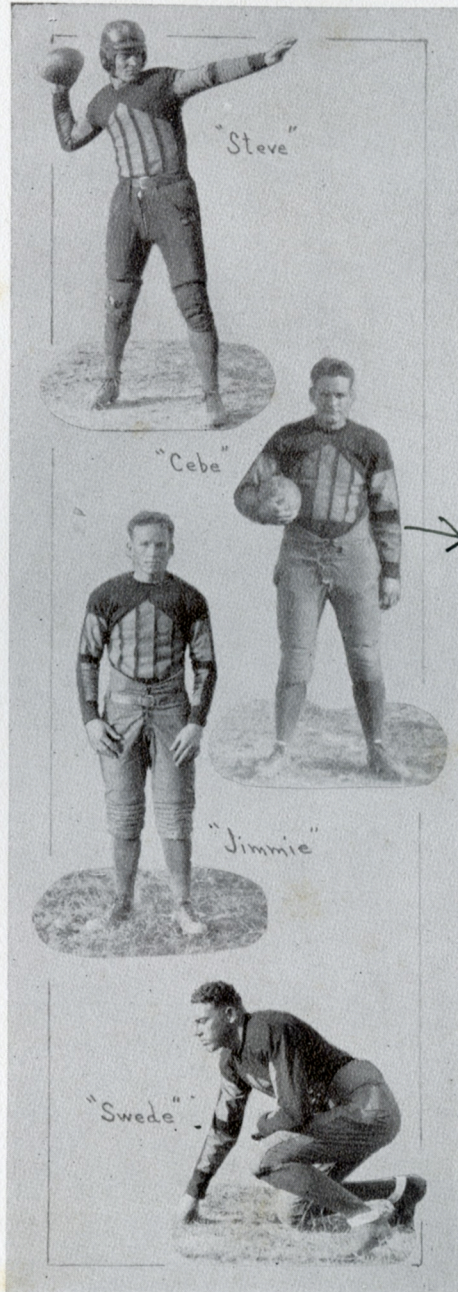

Jim is the man with the smile that won't come off in the game. His fast end runs thrilled and pleased the fans who witnessed his stellar playing. He is as good on the defense as on the offense, a fact that cannot be overlooked.

CARL "SWEDE" WOOD

CAPTAIN-ELECT

Tackle

This was "Swede's" second year battling for the old school. He is big and fast and gave the opposition something to worry about all the time. He was especially adept at breaking through and throwing the runners for losses. His all-round playing makes the other team members fight the harder. "Swede" will be back next year and great things are expected of him.

two yard loss
Cebert Lee

EVERETT ARLIE MASON

Fullback

Arlie is that quiet, good natured chap that works hard all the time and is always in the game. When he hit the line something had to give, so it was the opposition. Arlie had the misfortune to receive a broken jaw in the New River game.

WILMER "JEFF" LEWIS

Tackle

"Jeff" was a fighter up to the final whistle, and was always in the thick of the fray giving his best for Morris Harvey. He had that rare gift of getting into the opponent's backfield on almost every play. "Jeff" will be gone next year and that, no doubt, will gladden the heart of many an opposing coach.

JOHN "STONEWALL" JACKSON

Halfback

If the enemy's ball does get through, it is not on the side of the line that Jack is on. He is aggressive and does not wait for the ball but goes after it, believing that waiting is wasting time. Jack was especially adept as a receiver of forward passes. More power to you, Jack, may you be back again next year.

ROBERT "BOB" EASTON

Center

"Bob" was a man that could do almost anything on a football field. He played in most of the games this year and was outstanding in several. Although "Bob" is very light he proved his worth in the Bluefield game by holding their 200 pound line at bay. "Bob" has three more years to fight for the old school.

JOHN RUPE

End

Kentucky is not only the home of pretty women and fast horses, but also of good football players. John was a good end and was always in the thick of battle. He played well in all the games he was in and proved he had the real Morris Harvey spirit.

ROY POLLOCK

Quarterback

Roy was the best punter on the squad. His fine punts pulled the team out of many a bad hole. Roy is an all-round athlete as he plays basketball and baseball. He is a fine open field runner and an exceptional ground gainer. Roy was the second football man that Cupid got. Good luck to you and yours, Roy, in the game of life.

CECIL LINDSAY

Center

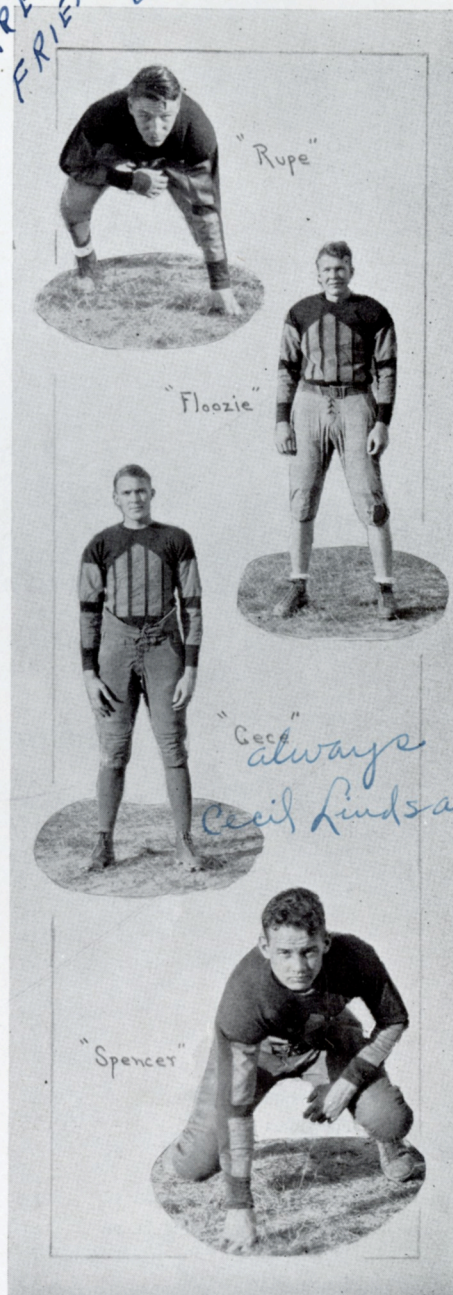

This stellar roving center made a name for himself on the football field and on the campus. He is big, good-looking, and very determined. All through the year Lindsay played hard and well, and the best part about it is that he will be back next year to pass the ball and pick out the Marshall runners.

EARL SPENCER

End

The end that was an end was Earl Spencer. He was surely the old reliable on the left side of the line, being always dependable and always in the game. His voice could be heard all over the field yelling encouragement to his teammates. Earl's greatest asset was breaking through the interference of the opposition.

Sidelines

By JACKIE ROGERS

As the curtain rings down on the present school year, we can't help but wish that we could turn the calendar back and live those happy days over again. Oh well, we have two more years. Gee, wonder how the seniors feel?

The Eagles fared somewhat better on the gridiron this year than last. They managed to break into the winning column by downing Rio Grande and Morehead and tied several games.

The brightest spot of the athletic year was the tussle the fellows dropped to Marshall 7-0. It certainly was a ripsnorter. The mighty Thundering Herd was whipped to a very meek Blundering Herd, and it was an accident they even scored. Chalk up another moral victory for us.

Although the baseball season was nothing to write home about, much new talent was unearthed among the players. For instance, as a right fielder, Ray Midkiff would make a fine groundhog catcher. "Radio" Rupe turned out to be the best yodler on the squad. However, believe it or not, John once played second base for Weeksbury.

It seems as though some things have gone to seed around here since "Eff" Pribble left. Even the B. P.'s have been discontinued.

The whole trouble lies in the fact that the constitution griped the ministerial students because of their high morals.

But the prize dumb trick goes to "Bad-Eye" Bias. He took his trousers to Huntington to be pressed. On the cleaning and pressing establishment was a sign which read: "Pants pressed Inside."

"Not the place for me," said "Bad-Eye." "I want mine pressed on the outside."

"Calhoun" Kirby's motto, "No water for the wicked," drove many of the fraternity boys to light wines and beer. And the Zeta Kappa banquet was held on June 18th.

Planting potatoes on Inspiration Ridge just about put a damper on the marriage epidemic which swept the school this year. But as you know, farming is not done in January, and T. R. Williams saved Ruby from having to look under her bed for the rest of her life. Best wishes folks, and may all of your troubles be red-headed.

Almost all great men are dead and, come to think of it, I don't feel so well myself. So farewell, boys and girls, I just simply must see a man about a dog.
